GENERAL INFORMATION

*sound-bar*

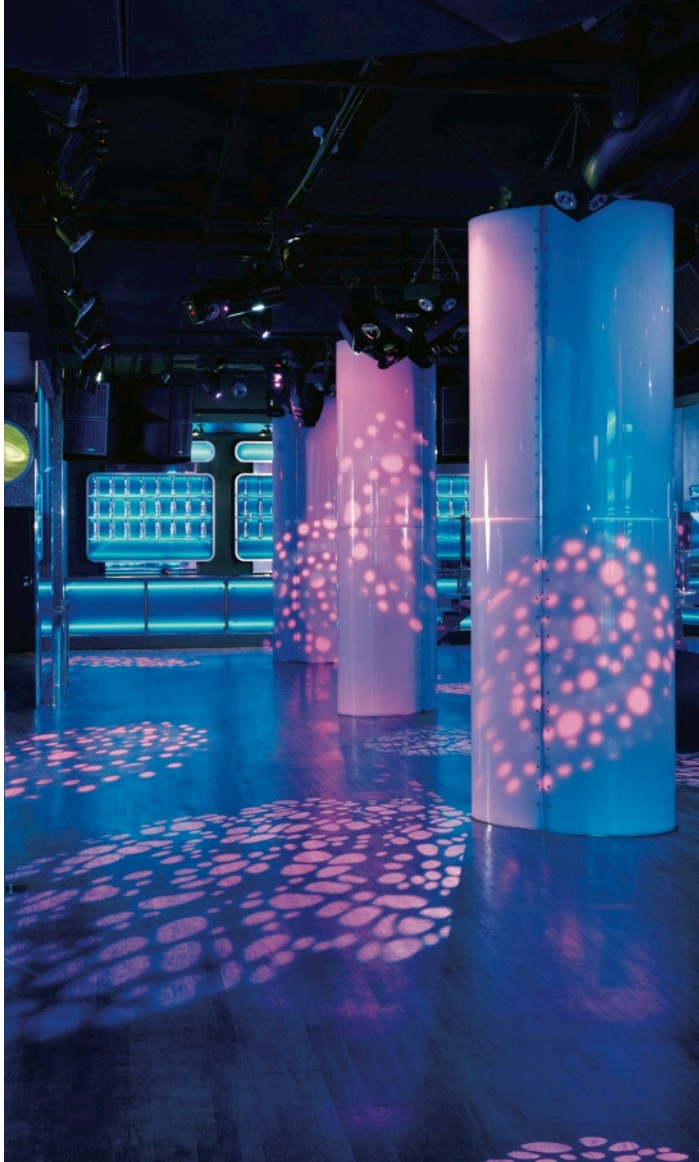

Located in the booming River North neighborhood of downtown Chicago, the legendary Sound-Bar nightclub recently celebrated its nine year anniversary. Designed to stimulate both the mind and body, Sound-Bar nightclub provides an unparalleled nightclub experience for all patrons.

The multi-level club boasts 20,000 square feet of stylish luxury and state-of-the-art technology in a minimalist, contemporary decor designed by Rocco Laudizio. Sound-Bar houses an incredible 8,000

square feet of dance floor and three DJ booths, which host some of the biggest names in the music industry. The venue contains seven bars, three boutique lounges, and three different atmospheres of music. Both levels of the club are available for private parties, ranging from charity events to corporate functions, and can accommodate anywhere between 50 and 1,200 guests.

The upper level main room is best for larger events featuring the main DJ booth, an 8,000 square-foot dance floor, three bars in the common area, and restrooms are all accessible from the main room

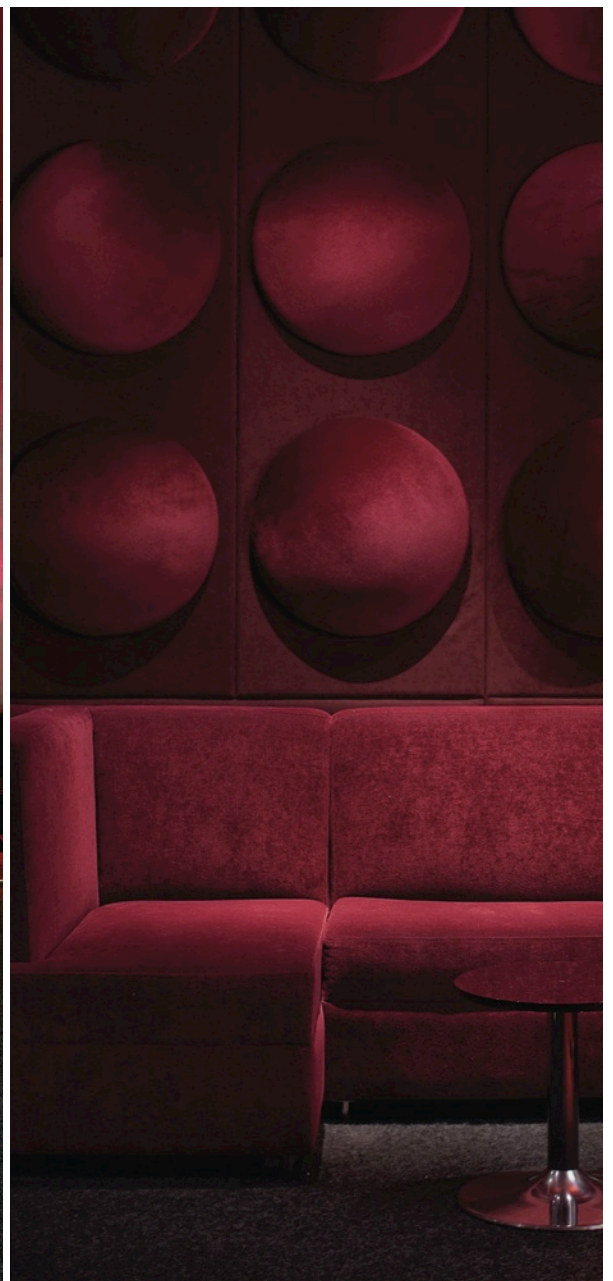

- Ceiling height 16'
- Guest capacity 600 people
- Square footage 9,725

The round bar is located on the main floor. Glass doors separate the room from the general public and also soundproof the room, making it excellent for private parties. The crimson walls and plush seating that surround the circular shaped bar in this area add to the ambiance of your entertainment needs. This room holds a separate DJ booth, six VIP booths and has its own private entrance.

- Ceiling height 16'
- Guest Capacity 100 people
- Square footage 700 sq ft

The lower level of Sound-Bar is split into three areas that can accommodate private parties, events, as well as bottle service. The lower level includes the yellow bar, orange room, and red room.

### Red Room

The red room is located in the lower level of the club and is a mirror image of the orange room. It includes two large couches, two small couches, and ten VIP tables. It seats up to 50 people for bottle service.

- Capacity 150 people
- Square footage 1500
- Each has its own bar

### Orange Room

The orange room is located in the lower level of the club and is a mirror image of the orange room. It includes two large couches, two small couches, and ten VIP tables. It seats up to 50 people for bottle service.

- Capacity 150 people
- Square footage 1500
- Each has its own bar

## Yellow Bar

The yellow bar is located in the lower level of the club and is the only bar directly on the lower level dance floor.

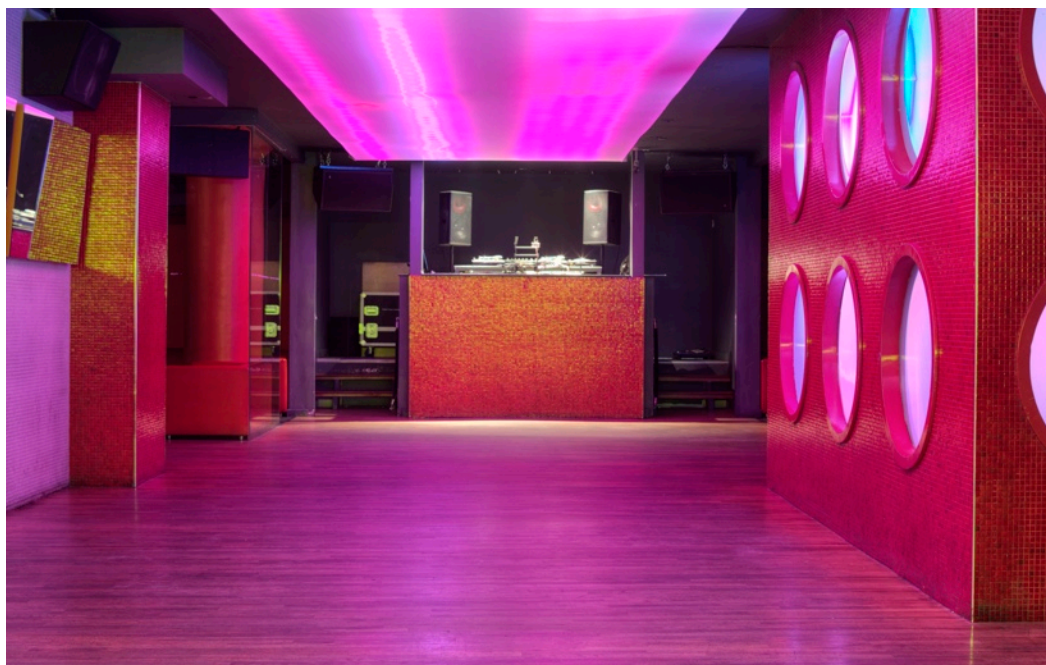

- Capacity 75-375
- Square footage 5500

## Lower Level Dance Floor

This room features an LED ceiling panel that runs the entire length of the room. The separate DJ booth and dance floor allows for a separate private event or additional headliner to perform in a completely different atmosphere catering to our various genres.

- Capacity 400
- Square footage 5500

## Table Reservations

Sound-Bar has many VIP options available for bottle service in every inch of the venue. These range from private enclosed rooms to booths, pods, and tables. Table service minimums apply.

## Party Packages

For smaller events such as birthdays and other celebrations, Sound-Bar offers party packages during regular business hours, complete with a designated bar area and appointed staff to serve your every need. Custom made fundraiser packages are also available. All packages are based on your party needs.

## Special Events

Sound Bar is known for supporting large events. We have space available for parties of up to 1,200 guests
